I. Factual Background

On or around 5/28/2025 the defendant did enter Julia and in General Chat start talking on controversial topics such as the Israeli Palestinian conflict. On or around this date the defendant did refer to people who support Palestinians as a “A slur targeting individuals with intellectual disabilities” hereinafter referred to as the “R-Word” or simply “slur”.

After being warned twice by (at the time) President-elect Anthony, Defendant then continued this conduct. The defendant also posted a video that referred to “gooning” - (a slang term for self pleasure) and BBC - (please don't make me explain all of this). After this Defendant was banned by Anthony who cited 10.2.6.2 as the lawful reason for the ban.

II. Proven Facts

First, It has been proven that Defendant was banned by President Elect Anthony. This has been proven by a log of moderation actions submitted into evidence by the Attorney General. Second, It has been proven that Defendant did use said slurs. This has been proven by evidence submitted by the Attorney General.

Third, It has been proven that Defendant did send a video referencing “BBC” and “gooning”. This has been proven by evidence submitted by both the defense and Attorney General.

III. Grounds for the Judgement

The Violation of Law Under 17.1.1 and the subsequent ban under 10.2.6.2 allows this Court to hear and make a ruling on this matter.

Judgment

1. That white.lillies is to be banned for a period of no less than 30 days, from Julia and all related servers.
2. That before reentry into Julia, an apology letter be written acknowledging the harm that use of the slur can cause.

3. That Defendant shall refrain from Posting content of the same or similar nature to the video in Julia or its related servers.
4. Thus, by this my sentence, against which an appeal may be filed before the Supreme Court within the limit provided by Julian Law, counted from the day of the publication of this sentence, I pronounce, command and sign it.
