Bill 2.6 - Minecraft Creation Act (MCA)

Added to this document on 5/15/2025

Amended by [Bill 4.35 — First Amendment to the MCA](#)

1. This Act defines the creation of a Minecraft Server for The Democratic Republic of Julia.
2. The ownership of the Minecraft server, hereby defined as “server” will be an independent position within the current government structure
 - a. The server owner’s position will be known as “Minecraft Operator (MCO)”
 - b. The MCO cannot be:
 - i. The Discord Server Owner
 - ii. The Discord Supervisor
 1. If ever re-implemented
 - c. Additional Positions added to 2.b. can be approved with any of the following methods:
 - i. Majority Senate Approval (50%+1)
 - ii. Presidential Approval + Minority Senate Approval (33%+1)
 - iii. Supermajority Public Approval (66%+1)
 - d. Removing Positions from 2.b. or altering any method of 2.c. requires the same steps as a constitutional amendment.

- e. The First MCO will be Discord user “veternitzz”, “406888924464676894” also known as “Anthony”
- f. The MCO may be removed through any of the following methods:
 - i. Supermajority Senate Approval (66%+1)
 - ii. Ultramajority Public Approval (85%+1)
- 3. The MCO must take an oath to swear to uphold Julia’s constitution and laws in the implementation and behind-the-scenes work of the server.
 - a. However, the MCO’s specific role is not responsible for upholding and enforcing the constitution while playing on the server, as that is the responsibility of the executive branch.
 - b. This stipulation, however, does not allow the MCO to be exempt from any fair trial afforded to any ordinary Julia citizen.
- 4. The MCO must appoint a Deputy Minecraft Operator (DMCO)
 - a. The DMCO must be approved with a Senate Majority (50%+1)
 - b. The DMCO will assist the MCO with any tasks presented to them by the MCO
 - c. The DMCO is not bounded by 2.b.
 - d. The DMCO is the suggested replacement to the MCO if the MCO ever is removed or resigns their position.
 - i. The DMCO will need to be approved to become MCO with any of the following methods:
 - 1. Majority Senate Approval (50%+1)
 - 2. Supermajority Public Approval (66%+1)
 - e. The DMCO can be removed by only the MCO’s approval.
- 5. The MCO may appoint Server Admins (MCA) at their discretion
- 6. The server will be legally viewed as an extension of the Discord Server, which means:
 - a. Julia’s Constitution and Laws are valid and upheld within any part of the server.

- b. Any reference to physical actions or buildings in Julia's Constitution and Laws must be upheld within the server.
 - c. Participation is optional.
 - d. "Death" is legally inconsequential.
 - e. The creation of an alternative country within the server will be seen as a direct attack of Julian soil, and is grounds for war.
7. The following changes to the Discord Server:
- a. Creation of the category "Minecraft". Which contains:
 - i. #mc-info, which contains:
 - 1. Server IP
 - 2. Data Pack (if needed)
 - ii. #mc-announcements
 - iii. #mc-general
 - iv. "mc-vc" Voice Channel
 - b. Creation of the following roles, with respective privileges:
 - i. MCO
 - 1. Speaking perms in #mc-info, #mc-announcements
 - ii. DMCO
 - 1. Speaking perms in #mc-announcements
 - iii. MCA
 - 1. Speaking perms in #mc-announcements
 - iv. Citizen
 - 1. Speaking perms in #mc-general, "mc-vc"
 - c. All specifics outlined in 7.a. And 7.b. are exempt from the Minister of Infrastructure's jurisdiction of organizational approval

Bill 5.02 - Minecraft Civil Act (MCA)

SHORT TITLE

- This Act may be cited as the 'Minecraft Civil Act' or 'MCA'.

1. ARTICLE 1: Griefing

- 1.1. This shall implement a grief protection status for all government buildings.
- 1.2. Destruction, obstruction, or theft of another's property shall be illegal.
 - 1.2.1. Municipalities may enforce local building regulations within their jurisdiction through deconstruction and it shall not be counted as griefing.

2. ARTICLE 2: Cheating/Hacking

- 2.1. Any form of hacking or cheating shall be illegal.
- 2.2. Creating lag machines shall be illegal.
- 2.3. Regulations on the design or capacity of item/mob farms utilizing potentially unintended mechanics may be done on a case-by-case basis across the server through Referendum/Petition Law; or within the jurisdiction of a municipality through their local governing processes.
 - 2.3.1. Exception being those that cause excessive strain on the server's real-life infrastructure/resources, which shall be illegal.

3. ARTICLE 3: PVP

- 3.1. Killing or harming any other player shall be illegal, unless both parties consent to a PVP match for the purpose of a duel or for sport; or if being done in defense of yourself, others, or your/others property.
- 3.2. Municipalities may use lethal force in order to enforce local laws within their jurisdiction or to defend their people or territory from an invasion or raid.
 - 3.2.1. The jurisdiction shall be defined as being that municipality's territory and citizens.

- 3.2.2. Municipalities may not use force against players in any circumstance that does not involve their citizens or their territory.
- 3.2.3. Municipalities may not use local law, orders, or their charter to forcefully annex, occupy, or attack the buildings or territories of other players/municipalities.
- 3.2.4. Territorial disputes may be settled in a national court if no internal conclusion can be reached.

4. ARTICLE 4: Speech

- 4.1. All national laws regarding speech in the Discord servers shall also apply to the Minecraft server's in-game chat, signs, books, and any other means of having text in the game.

5. ARTICLE 5: Enforcement

- 5.1. For all of the above offenses, the penalty will be no less than a one-day ban and up to a permanent ban from the Minecraft server.
- 5.2. If an individual is caught actively committing a crime, the Minecraft server's admins may ban them for up to 24 hours before trial to prevent further criminal activity. The temporary ban may be extended at the discretion of a Judge.
- 5.3. Any abuse of admin power must result in a revocation of admin powers within the Minecraft server and a permanent ban from it.
- 5.4. If a crime occurred in and only pertains to a municipality, the local authorities may handle it internally. If the sentencing is believed to be in contradiction with Julian Law, the case may be appealed to a higher court.

6. IMPLEMENTATION

- 6.1. Upon passage, this bill is to go immediately into effect.
- 6.2. This bill will repeal and replace  SL4.06/2025 - Minecraft Civil Act
