## 1. Factual Background

On or about 6/24/2025 ImperialAmerican issued a suit against Heen. (See Ticket-233) After a loss which damaged his reputation, ImperialAmerican sued his attorney for damages.

## 2. Grounds for Judgement

This suit was initiated in the Lower Court and was entered into the Record. This case resulted in a summary judgement as Plaintiff met the burden of proof for a Civil Trial while defendant failed to appear in court. Plaintiff also showed reasonable proof that defendant was attempting to stall Court proceedings.

## 3. Judgment

This Court Rules in favor of Plaintiff and orders Defendant to pay 5,005 JUD to Plaintiff along with issuing a written apology. \*

\*(Judicial Comments) Defendant currently has 2 other ongoing cases and requested a 2 day leave. Defendant was granted leave. After being faced with cases Defendant attempted to request another leave. While the Court recognizes the importance of mental health breaks they can not and should not be used to exploit the Court and delay the carrying out of justice. It is this Court's opinion that Defendant was exploiting the system, but we caution other Judges to not disallow mental health breaks altogether due to their importance.

SO ORDERED
