## I. Factual Background

The Senate according with Title 8 of The Constitution of Julia, started and passed a motion to impeach president Anthony that stated the following:

*“I, Senator Jake of the State of Julia, hereby start the articles of Impeachment against President Anthony as per article 8 of the Constitution. I impeach President Anthony on the grounds of failing to serve the people of Julia.*

- 1. Started major civil unrest due to the Question of the Day not being done for three days. Riots happened.*
- 2. Most people are disappointed in his duties of what he is doing as President, as seen by his approval ratings.*
- 3. In a recent Question of the Day, most citizens believe that it is good for him to be impeached.*
- 4. A referendum was made to hereby ask the senate to impeach President Anthony. It has support by a bunch of people. Anthony has failed the citizens of Julia.*
- 5. Even he agrees he should be impeached, he has been saying that he wants an impeachment if only it's on Presidential Peril day.”*

## II. Grounds for the Judgement

Article CJ 8.3.2. states; *“If the Senate votes to impeach, the motion goes to the Supreme Court which must vote majority in favor on the grounds that they are guilty of the crime in the motion, and the crime violates 8.2.”*

We want to remind every citizen that this institution of the government, especially the Supreme Court, whose sentences establish case law, before anything has to keep its integrity. This being independent of the situation of Julia or the personal and singular opinion of the Justices. The motion does not agree with the formalities under CJ 8.3.2. as it does not state anything that this court considers to “compromise the integrity of the State of Julia”.

## Judgment

1. We dismiss the motion and do not confirm the Impeachment of the president.
2. Thus, by this my sentence, counted from the day of the publication of this sentence, I pronounce, command and sign it
